

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is not in the public interest. In addition their "commentary" is likewise politically charged with no opposition response.

I believe that media outlets have a public duty to serve the public interest, not a particular public interest. I would hate to see "Pravda" in our country. One-sided programs like "Stolen Honor" do not, and are harmful to our democracy. Thank you.
